

Aquatic Center Shutdown

POOL CLOSED

Sept 3-Oct 6
for new features
& yearly maintenance!

No aquatic programming will be held at this time.

This year, rather than a week-long shutdown, our pool will be closed from September 3 - October 6.

During this time not only will the general maintenance of pool areas be done, a number of climate control renovations will take place, and the boat slide will be replaced with an 'unfrogettable' water feature.

Please note, our Big Red Slide isn't going anywhere!
