

PARTIAL PARKING LOT CLOSURES **JAN 8-11**

Due to warmer temps forecast for next week, portions of our main parking lot will be closed Jan 8-11 for finishing of the concrete.

The northern half of the upper parking lot (three rows and north half of west row) will be closed off beginning Tuesday, Jan 8. This work should take two days.

The southern half of the lot will be closed Jan 10 & 11.

PLEASE NOTE

If the weather is cooler than forecast, these closures will be delayed.
