

HAVE YOU HEARD?!

POOL RE-OPENS

Sat. Oct. 19!

8am-7pm

Dear Kroc Stars & Guests

We are so very thankful for your patience and kindness during the past seven weeks.

We know the pool being shutdown has altered routines and caused stress. Your patience, understanding, and support have been much appreciated.

The next time you visit The Kroc Aquatic Center you will immediately notice a few of the changes and a few you won't see but will appreciate. The riverboat kiddie slide has been replaced with a super cute frog slide. We know your little ones will enjoy getting to play on this new feature.

In addition to the slide, the old cubbies on the pool deck have been removed, a new air evacuator system has been installed, and general updates have been made.

Again, we thank you for your overwhelming support during the shutdown.

Welcome back! We've missed you!

POOL PARTY &

THANK YOU CELEBRATION

Friday, Nov. 1 | 5-9pm

Door Prizes • Fun Music • Games

More details coming soon...
